Nickel-Plated 2mm Berloque Pistol Flare Kit in Collectors Tin

This listing is for a **2mm Nickel Plated miniature Berloque Pistol and flare kit** that is **New**. This collector's tin includes a 2mm berloque pinfire gun with key chain, 1 flare adapter, 1 push rod, 10 multi-color flares, and a dozen blanks, only 4cm long. This is the only Austrian Berloque model still in production - the grips have a deer on one side and a rabbit on the other. This kit is sold in one of two types of cases-a **collector's tin** (this listing) and sometimes is available in a wood crate. To review all flare gun models and/or case options: check out the 'Flare Guns' sub-menu by clicking at left Gun Types, then Flare Guns.

REFILL ROUNDS: We sell the 2mm blanks and 9mm flare refills for these and the Xythos Flare kits (note: each flare **MUST** be launched by firing one 2mm pinfire blank):

- [2mm pinfire blanks](#) (req'd to launch a flare).

- [Tube of flares](#).

- [Live Rounds](#): this berloque has a through-barrel and since its a single-shot with no design elements in the way, it can fire both the round, lead ball live rounds OR the flat-top live rounds.
