Pinfire Guns USA 2mm, 8-Shot RING GUN

Exclusive to Pinfire Guns USA, the most unique item in our Spy Gun series is a limited and numbered pepperbox 8-shot RING GUN! Your choice of BLUED-STEEL or POLISHED-STEEL Cylinder. Each is made entirely by hand by master craftsman Rosen for us at Pinfire Guns USA. Each has a Gold-Filled Rope designed Band, Gold-Plated Cylinder Base, and a Stainless Steel Pepperbox Cylinder (polished or blued). No more than 20 guns will ever be made in this series - get yours before they are gone!

Antique ring guns have been featured and sold for several thousand dollars and in hard to find places, such as high-end auctions and even on a pawn stars episode. We are excited to have commissioned an updated version which fires the more readily available 2mm pinfire blanks and live rounds(links below)!

•IMAGES/PICTURES: PLEASE REVIEW CAREFULLY! Most of the pics are of the IN-STOCK RING GUN MODELS in both cylinder types. However, the **pictures toward the end ARE OF AN EXAMPLE ONLY OF WHAT CUSTOMIZATION CAN LOOK LIKE.** Those images are of our owner's ring gun w/additional gold-work and diamonds. This more elaborate ring gun is NOT WHAT YOU WILL RECEIVE IF ORDERING - BUT YOU CAN ALSO GET ONE LIKE IT OR IN YOUR OWN DESIGN-more elaborate silver, gold, emeralds, rubies, sapphires, diamonds - we will WORK WITH YOU and give you a QUOTE to decide.
