

Tom Weston Miniature 2mm Belmex Pistol - TWBMBSIV1.B

\$989.90

This is the **Berloque, Weston Belmex miniature 2mm pinfire pistols from Mexico City, Mexico** - it is blue steel-plated and has a round butt with Pre-Ban Ivory grips. This is an antique, produced about 1950. This particular model is in "**A**" or **Excellent condition** (graded based on the overall working condition and esthetics for the same style and age) and in excellent condition for its age with minor scratches. This gun has a nice finish, with no minor tarnish on the gun's body, at all. There are believed to be only 200 of these guns ever made. The design is his "twist to the side" to load gun which was popular during the mid to late nineteenth century. Comes with everything you see here, including push rod! This box is in AMAZING condition, it is a leather and felt case, which seems like an original case, and great for any collector out there! Overall length is 2 1/4 inches.

Listed in "The Tiniest Guns" by Bob Urso Vol. 3 on page 72 as M1 Weston, Belmex.
