Gold-Plated 2mm Berloque Pistol Flare Kit in Wooden Crate

This listing is for a **2mm Gold Plated Miniature Berloque Pistol and flare kit** that is **New**. This wooden crate includes a 2mm berloque pinfire gun with key chain, 1 flare adapter, 1 push rod, 10 multi-color flares, and a dozen blanks, only 4cm long. This is the only Austrian Berloque model still in production - the grips have a deer on one side and a rabbit on the other. This kit is sold in one of two types of cases and depending on the available inventory from the manufacturer at the time, we may have in-stock inventory of one or both: a **wooden crate** (this listing) or Collector's tin.

REFILL ROUNDS: We sell the 2mm blanks refills for these and the Xythos Flare kits (note: each flare **MUST** be launched by firing one 2mm pinfire blank):

- [2mm pinfire blanks](#) (req'd to launch a flare)

- [Live Rounds](#): this berloque has a through-barrel and since its a single-shot with no design elements in the way, this pistol is perfect for **and a blast to shoot**-both types of LIVE ROUNDS: the ball-top (with lead ball) or flat-top live versions!
