Link Kit-NMX9RGTK.A**

**\$175.90**

**SOLD 3/27/17**

This is a Xythos **miniature 2mm pinfire pistol from Austria** - it is nickel-plated, has a gold trigger, 9-ridge hammer, black grips and the parts to be worn as a cuff link (single). It is in the original case and includes a full pack of the original red box of blanks, has the tie clasp, AND the button/cufflink attachment. This is an older-styled antique, produced in the 1960's. This particular model is in "**A**" or **GREAT condition** (graded based on the overall working condition and aesthetics for the same style and age). This gun has a nice finish, with no wear on the gun's body, and just a tiny bit of tarnish on the underside of the hammer, not visible during normal use. Overall length (OAL) is 1 5/8". This Xythos is **designed to fire 2mm pinfire BLANKS only (do not attempt to fire lead ball/live rounds)**.

Xythos revolvers are listed in "The Tiniest Guns" by Bob Urso, Vol. 3, pages 40-42 where you can find lots of good information on the history and types made. We've also included some Xythos history on the main category page.
