

PRE ORDER - 8 Shot TOMMY GUN - Stainless Steel w/ W

\$989.90

PRE-ORDER for the NEWEST 2mm Pinfire Guns USA 8 Shot Tommy Gun.

We would love to have the time to do a violin case for this masterpiece, but for right now, we will be sending these in our small Black Pelican Style cases. This is a Pre-Order, as we do not expect these to be around too long. We do expect these to sell out before they arrive in a couple of weeks. We do have this prototype finished and it works amazing! normally, we get them in about 2-3 weeks after the prototypes.
