24K Gold Plated Pinfire Guns USA 2mm Pinfire Mauser

Pinfire Guns USA 2mm Pinfire 24K Gold Plated C-96 Mauser handcrafted by Rosen. This gorgeous mini gun fires 2mm pinfire cartridges ([blanks](#) & [live rounds](#)) comes with a designer made push rod, and a glass-top leather case. This miniature gun listing is for the **DOUBLE-24K GOLD-PLATED MAUSER**, Not the Stainless Steel (w/sheath/holster) versio (also in some of the images), which is in its own separate listing [here](#).

This listing's version is a real show-piece, has brilliant shine with impeccably crafted Mediterranean Mother of Pearl Grips. Its meant to be display the C-96 Mauser body style openly, while the [other listing](#) shows the full set-up, including sheath/stock in the industrial look of stainless steel. The Mauser C-96 has a distinguishable grip shapped like a broomhandle. The full-scale model was originally designed in 1896 and used a 7.63 x 25mm cartridge known as the 7.63 Mauser round, which was based on the 7.65mm round used in the C-93 Borchardt from 1893. Besides the standard 7.63 x 25mm round, the C-96 Mauser was commonly chambered in the 9 x 19mm Parrabellum.
