

Apache Knife Spy 2mm Pinfire 5-Shot Pepperbox w/Brass Knuckles

\$679.90

Apache Knife Fold over Spy 2mm Pinfire Miniature Gun w/Brass Knuckles!

This is the latest offering in PFG•USA's SPY GUN SERIES - an Apache Fold-over Knife 5-shot Pepperbox pistol! These are painstakingly each made by hand by master craftsman Rosen. There are two(2) styles:

- **Polished Stainless Steel:** high polished steel that we often see that is good enough to see your reflection.
- **Brass or Gold-plated Steel:** double plated for an extra thick layer of 24k gold to both protect and make the pistol shine more brightly.

This gun is a Limited Edition Series, where we will not make more than 20 of these. It is very similar to our Limited Edition NAA Pug Tribute Gun, however it includes a fold out, locking blade, as well as folding brass knuckles that has a side locking switch to keep it open. This gun has the new barrel stops, so you can turn the barrel to just the right place to fire, without having to look. It has

All **Hand-Crafted** miniature guns featured under the Pinfire Guns USA name/categories come with PFG•USA's **RTE*** Kit!

***RTE** is an acronym meaning "**READY TO ENJOY**" KIT, which includes:

- The Gun
- An Appropriate Case
- 10 Free Blanks
- A Push Rod/Integrated Ejector
- An Anti-Tarnish Strip

Currently, we only have the Polish Stainless Steel Apache miniature gun in stock, for immediate shipping. The Brass or 24K Gold Plated version will take between 2-3 weeks to make for you. If you are interested in pre-ordering a 24K Gold, or Brass Apache, please use the Pre-Order link [HERE](#)
